PRESIDENT EMERITUS

COL GERALD J. SMITH
PRESIDENT EMERITUS

Dear Goldwater Scholar:

The Barry Goldwater Scholarship Foundation is required to make all payments by electronic funds transfer (EFT). Goldwater Foundation Scholarship stipends will be deposited into **your checking** or **savings** accounts only. The Treasury Department will not make payments to investment accounts or to an account not bearing your name.

Providing your name is on the account, a joint checking or savings account is allowed. Unless your name is on the account, **do not** submit a bank account for your parent(s) or a significant other. Custodial accounts are acceptable if you are the primary account holder.

Except for the section labeled "ADMINISTRATIVE USE ONLY," complete all sections on Direct Deposit/EFT Enrollment and Change Form (DD/EFT E&CF). **Please note, your name on this form MUST be exactly the same as it appears on your Social Security Card!**

Check the "Scholarship Payment" box in section 2 and the "Start" box in 3a. The effective date may be the date you submit the form, but the account must be set up by at least mid-July to ensure your fall scholarship payment. In order to avoid misdirected payments, do not close or change your bank account without notifying the Foundation.

Return your original copy of the DD/EFT-E&CF with a voided check or an official bank verification. Please be certain to verify the routing transit number and the account number with your bank.

We trust you will find electronic funds transfer a prompt, effective, and reliable method for receiving payments. If you have questions concerning completion of the form, call the Foundation at 703-756-6012 or send an e-mail to goldh2o@vacoxmail.com.

Sincerely,
John Mateja, PhD
President
