

On-line Application Questionnaire

2018

Legal Residence Information

Citizenship

Mailing Address for Your State (or Territory) of Legal Residence

For your state of legal residence, what is your U.S. Congressional House District. *(If you do not know your congressional district, go to www.house.gov. Enter your ZIP code to search for your Congressional Representative and his/her district. All non-voting delegations such as American Samoa, District of Columbia, Guam, Puerto Rico and the U.S. Virgin Islands should enter "At Large" for this question.)*

Is your state of legal residence that same as your permanent residence? *(Usually the address of your parent/legal guardian.)*
If no, please provide your permanent residence mailing address.

Permanent Telephone Number *(Usually the phone number of a parent/legal Guardian)*

If your state of legal residence is not the same as your permanent residence *(parent/legal guardian)*, please indicate how your state of legal residence has been established.

Career Goals/Professional Aspirations

In one or two sentences, briefly describe your career goals and professional aspirations. *(200 characters)*

Expand on the above brief statement to more fully describe your career goals and professional aspirations? Indicate which area(s) of mathematics, science or engineering you are considering pursuing in your research career and specify how your current academic program and your overall educational plans will assist you in achieving your career goals and professional aspirations. *(3000 characters)*

Describe an activity or experience that has been important in helping shape or reinforce your desire to pursue a research career in science, mathematics or engineering. *(1500 Characters)*

(Optional. Answering this question will depend on your personal experience.) Goldwater Scholars will be representative of the diverse economic, ethnic, racial and occupational backgrounds of families in the U.S. Describe any social and/or economic impacts you have personally experienced that have influenced your education – either positively or negatively – and describe how you dealt with them. *(1500 Characters)*
